Fire Drill Procedures:

Goal: To empty the school in less than one minute with safety, discipline and minimal risk.

Each teacher:

1. Ensure that windows are closed.
2. Take the register or plan book with them to check student names.
3. Close the door behind them.

Students are to line up in single file and to walk in an orderly fashion to appropriate exit.

Washrooms are checked by librarian and secretaries.

The principal or secretary will notify Fire Department at 532 - 2100.
